

# YAMAHA WINCH MOUNT BUMPER

## Installation Instructions

G14/16/19/21 Part# 7491

G22 Part# 7492

### Installation Instructions:

*Always wear appropriate eye protection!*

1. Remove the four bolts holding the stock front bumper to the cart. Save these bolts for installing the new winch mount.
2. Remove the stock front bumper.
3. For G14-G21 models, use the stock bolts securely tighten the winch mount bumper to the stock bumper location as shown in FIGURES 1 & 2. G22 models use the stock bumper bolts on the top mounts and the supplied 3/8 x 4 bolts, washers and locknuts on the front mount as shown in FIGURE 3.
4. This bumper has 2 pre-drilled holes which match up with most 2000lb winches. If your winch does not line up with the 2 pre-drilled holes use your winch as a guide and mark and drill through the mounting plate new holes for mounting your winch.
5. Securely tighten all bolts.
6. The winch mount has a light mount tab on the bottom of the winch mount which will allow you to install off-road lights.

#### Indemnification And Insurance Agreement

High Performance Enhancement Kit purchaser assumes sole and entire responsibility for, and shall indemnify and save harmless Nivel LLC, from any and all claim, liability, responsibility, and persons or property that may be sustained in connection with the use of any product before or after purchase, including but not limited to high performance enhancement lift kits. The High Performance Enhancement Kit purchaser also shall indemnify Nivel LLC harmless with respect to any and all liability that may be incurred.

Golf Cars are recommended for use only by those aged 16 and older. Golf Cars can be especially hazardous to operate. Always remember that riding and alcohol/drugs don't mix. Never ride on public roads. Never carry more than two passengers (except shuttles and trams). Never engage in stunt driving. Avoid excessive speeds and be particularly careful on difficult terrain. Nivel LLC reserves the right, at any time, to discontinue or change specifications, prices, designs, features, models, or equipment without notice and without incurring any obligation.
