Round Convex Mirror

Madjax® recommends professional installation. If you choose to not have this product installed by a professional, we highly recommend that you exercise caution, care, and patience when installing this product as it involves drilling holes into your bodywork. The Madjax® Limited Warranty only covers defects in materials and workmanship, and does not cover damage due to improper installation. If you are having difficulty installing this product, contact your Authorized Madjax® Dealer.

1
Using a phillips head screwdriver, loosen screws on round convex mirror and apply bracket as shown. The re-tighten loose screws as shown.

2
Find desired location for installation on your Golf Cart. Using hardware provided, attach self tapping screws to the mirror bracket as shown.
